

A close-up photograph of a brick wall. The bricks are light-colored, possibly tan or beige, with a slightly textured surface. They are arranged in a standard running bond pattern. The mortar joints are dark, likely grey or black. In the lower-middle portion of the image, the alphanumeric code 'WB98049' is printed in a bright red, sans-serif font.

The image features a dense, repeating pattern of overlapping circles. Each circle has a thin, gold-colored outline and a textured, metallic interior that resembles brushed metal or a fine mesh. The circles are arranged in a staggered grid, creating a complex, interlocking visual effect. The overall color palette is dominated by shades of grey and blue, with the gold outlines providing a contrasting highlight.

WB98038

The image shows a close-up of a decorative wallpaper. The background is a light blue and white marbled pattern. Scattered across this background are various gold-colored ornate motifs, including floral designs, diamond shapes, and intricate scrollwork. The motifs are arranged in a non-repeating, scattered pattern. In the lower center of the image, the alphanumeric code 'WB98044' is printed in a red, sans-serif font.

The image displays a full-page decorative background. It features a repeating chevron (zigzag) pattern. Each chevron is filled with a grey, wood-grain-like texture. The chevrons are separated by thin, gold-colored lines. The overall effect is a rhythmic, textured pattern. In the lower-middle section, the alphanumeric code 'WB98035' is printed in a red, sans-serif font.
